## OneSource Relocation Named to Georgia's Top Business List for 2008

---

**MARIETTA, GEORGIA – January 29, 2009 – (Business Wire)** – In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nation's leading business-to-business internet site, recently named OneSource Relocation as one of the Top 100 Women Owned Businesses in Georgia.

This is the 9th annual listing of the Georgiatop businesses by DiversityBusiness.com. Ranging in revenue size from \$1 million to over \$365 million, the companies listed on the Top Business Lists represent Georgia's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

"Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

"OneSource is honored to be recognized by DiversityBusiness.com," said Eve A. Seib, President of OneSource Relocation, LLC. "As an independent relocation company, OneSource is able to provide complete objectivity when managing the relocation process. We are experienced in designing and delivering policies and programs based on our clients' objectives and in helping families overcome the stress and anxiety of a corporate move. Plus we have the expertise needed today to effectively deal with housing needs and real estate matters."
